

February, 2020

Dear Potential Sedgwick Farm Tennis Club Member,

We're excited about the 2020 season at Sedgwick. There's a great deal going on at the club. Never has membership offered so many benefits. Beyond the opportunity to play at Central New York's only red-clay court facility, members will receive discounts on almost all club "extras", including clinics, camps, private lessons, mixers, special events, and league play. Those who pay their dues before March 15 will also receive 3 free guest passes as well as one free adult clinic with our pro, Jason Jeffers.

We've committed to building Sedgwick teams in local leagues, with match fees waived for all members when playing on our courts. Additionally, we'll be expanding regularly scheduled informal playing opportunities like Sedgwick Sunday Mornings and regular Friday evening barbecue mixers with food provided by the club!

We're happy to welcome back our pro, Jason Jeffers, who will offer youth camps and clinics as well as private lessons.

Finally, in addition to our opening weekend picnic (May 24th), the social committee is planning a number of musical events including "Broadway at Sedgwick", a rock event, and the return of Rob Auler and his classical group.. Of course, we'll also have the return of Breakfast at Wimbledon.

All in all, the 2020 season at SFTC promises to be memorable. Now is the time to begin your planning for the warm weather. A dues and membership information form for the 2020 season at Sedgwick is enclosed. Please note that we are now able to accept credit cards for your membership.

See you on the courts!

Sincerely,

A handwritten signature in black ink that reads "Thomas P. Brockelman". The signature is fluid and cursive, with a long, sweeping underline.

Tom Brockelman, President
