

March, 2021

Dear Sedgwick Farm Tennis Club Member,

We're excited about the 2021 season at Sedgwick. There's a great deal going on at the club. Never has membership offered so many benefits. Beyond the opportunity to play at Central New York's only red-clay court facility (*never* with any court fees!), members will receive discounts on all club "extras", including clinics, camps, private lessons, mixers, special events, and league play. Also, keep an eye out for a one-week youth camp! Those who pay their dues before April 1st will receive one free adult clinic with pro, Jason Jeffers.

As everyone knows, outdoor tennis is among the safest forms of exercise during the pandemic. We will make every effort, with an early Spring, to open early, so that our members can enjoy Covid-safe, socially-distanced exercise. And you can be sure that we will always follow government safety guidelines.

We've committed to building Sedgwick teams in local leagues, with match fees waived for all members when playing on our courts. Additionally, we'll be expanding regularly scheduled informal playing opportunities like Sedgwick Sunday Mornings and regular Friday evening barbecue mixers with food provided by the club!

We're happy to welcome back Jason Jeffers, who will offer clinics as well as private lessons. Jason also promises to remind us of his musical chops with a "Cabaret" evening!

Finally, the social committee is planning a number of musical events, when Covid-appropriate, outdoors! Our "Musical Second Tuesdays" series will feature a "Broadway at Sedgwick" event and the return of Rob Auler and his classical group. Of course, we'll also have the return of Breakfast at Wimbledon.

All in all, the 2021 season at SFTC promises to be memorable. Now is the time to begin your planning for the warm weather. The invoice and 2021 Membership Information Form is enclosed. Please note that we are now able to accept credit cards for your membership.

See you on the courts!

Sincerely,

A handwritten signature in black ink that reads "Thomas P. Brockelman". The signature is fluid and cursive, with a long, sweeping underline.

Tom Brockelman, President
